Dear Sir/Madam

Sub: Clarification for not providing Assets and Liabilities on Segment Reporting:
Ref: Your email dated 28th August, 2019

We would like to inform you that, the company has submitted the financial results on 14th August, 2019 for the First Quarter ended 30th June, 2019. The Assets and Liabilities could not be identified based on the reported segments (both standalone and consolidated) as they are used interchangeably, hence impractical to allocate the Assets & Liabilities of Goldstone Technologies to the respective segment.

To this extent in every quarterly financial results, the company mentioning a note in the bottom of the financial results, unfortunately, while taking print out of the final version Financial Results couple of notes got hide (in Standalone Note No.5 & 6 and in Consolidated Note No.7 & 8) as two new notes were included on account of Ind AS 116 and on the strike off of Staytop Systems and software Pvt Ltd., which are mentioned below:

Under Standalone financial results

Note:

5. *Segment Capital Employed: As Assets and Liabilities are often deployed interchangeably across segments, it is impractical to allocate these Assets and Liabilities to each segment. Hence, the details of Segmental Assets, Segmental Liability and Segmental Capital Employed have not been disclosed.*
6. *Previous period figures have been regrouped/reclassified wherever necessary to confirm with the current periods classification/disclosure.*

Under consolidated financial results

Note:

7. *Segment Capital Employed: As Assets and Liabilities are often deployed interchangeably across segments, it is impractical to allocate these Assets and Liabilities to each segment. Hence, the details of Segmental Assets, Segmental Liability and Segmental Capital Employed have not been disclosed.*

8. *Previous period figures have been regrouped/reclassified wherever necessary to confirm with the current periods classification/disclosure.*

You are requested to please take this on record. The error is regretted.

Thanking you

Yours faithfully

For Goldstone Technologies Limited
